

## Free, family summer activities coming to your community > Join the fun

Our Free summer programs look a little different this year. Pre-register youth, families or older adults for an outdoor activity or a free performance in the park. We'll be following guidelines for public health, ensuring we can run these programs safely. Visit [Calgary.ca/free](https://calgary.ca/free) for details.

Free programs include:

-  Nature play
-  Outdoor family entertainment
-  Exploring parks together
-  Youth leadership programs
